

Market Leading Providers

of refrigeration & catering solutions to the Irish
hospitality industry for over 40 years.

Who we are

Since 1980, ERG (*Euro Refrigeration Group*) has been the leading hospitality cooling company in Dublin. With our ever-growing and extensive customer base, ERG has grown through a strong reputation for supplying modern, reliable products with excellent customer service. Now, renowned across Ireland, ERG is a conglomerate of companies serving all water and refrigeration needs to the domestic, commercial and hospitality sectors.

For your peace of mind, our proven track record of providing 24/7 service to our full customer base is second to none.
